All BACU members

- Mark your calendar** and set a reminder on your smartphone or tablet.
- Make sure you have enough cash** on hand, or an alternate method of payment (such as a credit card) to make purchases while ATM and INTERAC® service is interrupted, from 4 pm on Tuesday, June 30 until 9:30 am on Friday, July 3.
- Keep up-to-date** by calling or visiting your branch or checking belgianalliancecu.mb.ca for updates.

If you use **Online Banking**

- Pay all bills** that are due on or before July 3, before Tuesday June 30 at 4:00 pm.
- Download or print your transaction history** if you need it for reference (e-statements for 2020 will be available online after conversion).
- If you download your transaction history to an accounting program**, be sure to download everything you need before June 30.

If you use **INTERAC® e-Transfer**

- Send and receive all pending e-Transfer payments** before June 30, or be prepared to wait until service is restored on July 3.
- Check your e-Transfer pending list** and print a copy if you have any payments outstanding.
- Download or print your recipient list** as you will have to re-enter it after service is restored on July 3.

If you use the **myBACU mobile app**

- Make sure you complete your first login to Online Banking at BACU's 'full' website** before using the app after service is restored on July 3. Instructions can be found at belgianalliancecu.mb.ca
